Security & Fire Protection Contractors

Please send your offline enquiries to info@ssr.co.uk

If you need any assistance, please speak to our team on **0117 9 300 100**.

The information disclosed within this enquiry form will be used to compile a Statement of Fact. A Statement of Fact records the information notified to Us and facts assumed about You, Your Business and Your Business partners and directors. The Statement of Fact will form a record of Our contract with You and the information which has been taken into account when calculating the premium, terms and conditions upon which Your policy is based.

Please remember that a fair presentation of the risk must be given. Failure to do so may prevent part or all of a claim being paid and could render the policy invalid. If you are unsure whether or not information applies to giving a fair presentation, it should be disclosed to the insurer.

You should keep a record (including copies of letters) of all information supplied to the insurer for the purposes of the renewal of this insurance.
