8 Schedule of compensation restrictions

8.1 Claiming under more than one (1) item of *benefit*:

- 8.1.1 If it is possible to claim *benefit* under more than one (1) item of compensation in the schedule of compensation, then **you** may elect to claim under any one (1) item of *benefit* that offers the maximum amount of payment except always that **we** are only liable to pay *benefit* under a single item of *benefit* under the schedule of compensation.
- 8.1.2 If an *accident* involves the death of the *insured person* prior to the definite settlement of compensation for *disablement*, **we** will pay the *beneficiary* the *benefit* for death as a result of *accidental bodily injury* in the schedule of compensation. If death is not insured no *benefit* will be payable under this insurance.

8.2 Interest

No *benefit* payable under this insurance will carry interest.

8.3 *Benefits* exceeding the *accumulation limit*

Where the aggregate value of *benefit* claimed in respect of all *insured persons* suffering death or *disablement* for the one (1) event exceeds the *accumulation limit*, the amount claimed by each *beneficiary* will be reduced in proportion to the ratio that the *accumulation limit* bears to the total amount claimed.

9 Third party rights

The *insured person* or the *insured person's* personal representatives will have no right to claim from or sue **us** in respect of any *benefit* payable under this Section.

1 Co-existing accident insurance

It is a condition precedent to **our** liability under this Section that **you** have no other accident insurance with respect to the *insured person* except as specifically declared to **us** at inception or agreed by **us** during the *period of insurance*.
