4.10.3 Alternatively **you** can e-mail **your** claim to us at newclaims@das.co.uk.

4.10.4 Claims are usually handled by a representative appointed by us, but sometimes we deal with them ourselves.

4.10.5 Please do not ask for help from a solicitor or accountant before we have agreed. If **you** do, we will not pay the costs involved.

5 Dispute under the Housing Grant, Construction and Regeneration Act 1996

If a dispute under a construction contract defined in Sections 104 to 107 and section 117 of Part II of the above Act (or the equivalent under the replacement act: Local Democracy, Economic Development and Construction Act 2009) is being referred to adjudication under the procedures of the Act and may involve **us** in a payment under any section of **your** policy, then **you** must:

5.1 inform **us** verbally, by facsimile or by any other suitable means immediately **you** become aware of the referral;

5.2 send **us** immediately on receipt relevant documents in connection with the dispute.

We will only be responsible for damages and costs that become payable by **you**.

You must not waive under contract or otherwise any rights of appeal against the decision given by the adjudicator. If **you** do not comply with this **we** will not pay the damages or costs for which **you** are held responsible to pay.

CLAIMS CONDITIONS

If **we** successfully appeal against a decision, and **we**:

- 5.3 are allowed a full or partial recovery of the decision; and
- 5.4 have not received the amount involved from whatsoever source after a period of six (6) months from the date of the decision,

then **we** reserve the right to recover the amount from **you**.

Any dispute will be dealt with in accordance with the terms, conditions and restrictions of **your** policy.

6 Our Rights

Under all sections of this policy, **we** will be entitled to:

- 6.1 use **your** name in legal proceedings,
- 6.2 take over and conduct the defence or settlement of any claim,
- 6.3 prosecute in **your** name for **our** own benefit at **our** own expense any other person,
- 6.4 instruct solicitors of **our** choice to act for **you** in any civil or criminal proceedings.

Under sections C, D, E and G:

as a result of any **damage** for which a claim is or may be made under this policy **we** and every person authorised by **us** may, without incurring any liability and without diminishing **our** right to rely upon any conditions of the policy:

- 6.5 enter, take or keep possession of the **buildings**, or **premises** where the **damage** has happened,
- 6.6 take possession of or require to be delivered to **us** any of the items insured,
- 6.7 keep possession of and deal with the property for all reasonable purposes and in any reasonable manner.

This condition will be evidence of **your** permission and licence for **us** to do so. If **you** or anyone acting on **your** behalf does not comply with **our** requirements, hinders or obstructs **us** in carrying out any of these acts, then all benefits under this policy will be forfeited.

You will not in any case be entitled to abandon any property to **us** whether taken possession of by **us** or not.

7 Reinstatement of Property (applicable to Sections C, D, E and G)

If **we** elect or become bound to reinstate or replace any property **you** must at **your** own expense, produce and give **us** any plans, documents, books and information that **we** may require. **We** will not be bound to reinstate exactly or completely, but only as circumstances permit and in a reasonably sufficient manner, and will not in any case be liable in respect of any one of the items insured for more than the sum insured or limit of indemnity of that item.

CLAIMS CONDITIONS

8 Contribution

If at the time of any claim under this policy there is any other insurance covering the same risk or any part of the risk **we** will not be liable for more than **our** rateable portion.

If the other insurance is subject to any condition of Average, this policy, if not already subject to any condition of Average will be subject to Average in the same manner.

9 Arbitration (applicable to Sections C, D, E and G)

If any difference arises concerning the amount to be paid under this policy (liability being otherwise admitted) the difference will be referred to an arbitrator, to be appointed by the parties in accordance with the statutory provisions in force at that period in time.

The arbitrator must make an award before any rights of action against **us** are pursued.

10 Interest (applicable to Section K)

No **benefit** payable under Section K will carry interest.

11 Disputed defence or appeal (applicable to Section F)

If any dispute arises between the **you** and **us** as to whether a prosecution should be defended or an appeal made, such dispute will be referred to a Queen's Counsel to be mutually agreed between the parties (or in default of agreement to be nominated by the President of the Law Society) whose decision will be final.

12 Subrogation (applicable to Section I or K)

For each and every claim **you** and any person acting on **your** behalf must not waive any rights of recourse or recovery against any other person relating to an occurrence, loss or **suit** that may give rise to a claim under this insurance.

Any claimant under this insurance will at **our** request and expense do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by **us** for the purpose of enforcing any rights and remedies or of obtaining relief or indemnity from other parties to which **we** will be or would become entitled or subrogated upon its paying for or the making good of any **damage** under this section, whether such acts and things will be or become necessary or required before or after their indemnification by **us**.

In the event of any payment under this insurance, **we** will act in concert with all other interested persons (including **yourself**) concerned in the exercise of any rights of recovery.

The apportioning of any amounts which may be recovered will follow the principle that any interested persons (including **yourself**) that will have paid an amount over and above any payment hereunder, will first be reimbursed up to the amount paid by them; **we** are then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interested persons (including **yourself**) to whom this coverage is in excess shall be entitled to claim the residue, if any.

Expenses necessary to the recovery of any such amounts will be apportioned between the interested parties concerned, in the ratio of their respective recoveries as finally settled.
